Mary Feeley, EXPO 2007 Speaker

“Harmony with Humor”

The humor advantage is the ultimate communication skill in creating harmony in our teams. You will enjoy the perfect blend of humor, honest insight, real world skills and inspiring challenge when Mary Feeley unleashes the power of humor in creating harmony in the workplace.

Drawing from her unique perspective as a business-women and comedian, she will dissect the “team connection”. Laugh and learn about the different personality types and learn which one you are. Recognize the other aspects of diversity in our teams and how to create harmony with them. Understand how the emotions of change affect your harmony and the harmony of your teams. This program will leave you laughing and provoke you to make positive and productive changes to achieve perfect personal and professional harmony.

Mary Feeley, Certified Speaking Professional, is the Provocateur. She will provoke you to listen, to laugh and to learn with the perfect blend of message and mirth. Mary has uniquely combined her corporate experience with comedy club stage work. The result is a speaker who has delighted and enlightened people across the continent and the Atlantic over her twenty-year award winning career.

In addition, to her understanding of organizations and people, she is funny! Mary was a pioneer in stand-up comedy in the early 1980's, becoming the first woman comic to perform as a headliner in prominent clubs. She was an award winning comic before recreating her career as an award winning professional trainer and motivational speaker. In 1995, Mary received the honor of “Consummate Speaker of the Year” from Sharing Ideas Magazine. She has also been designated a Certified Speaking Professional by the International Federation for Professional Speakers.

As the Provocateur, Mary will use wit and wisdom to inspire you to see your life differently and to make positive and productive personal and professional changes.

WE HOPE TO SEE YOU AT THE EXPO!
