

CMGMA

Please Join Us for our November Educational Program

Join CMGMA for two outstanding programs. We will begin in the morning with "One Year Under the Dome: The Spectrum of State Legislation and It's Impact on Physician Practices and Health System Reform." Ken Ferrucci will walk through the wide spectrum of issues that impact medical practices today. He will provide significant details on those that more directly impact practice management.

Immediately following Mr. Ferrucci's program, Jennifer Cox returns with her very popular "Healthcare Year in Review." She will discuss what you will need to know in 2012; including EHR Round Up and Billing issues, 5010 code sets, ICD-10, e-prescribing, and HITECH incentives. After lunch she will review HIPAA, Practice Models, Medical Homes and the new ACO environment. Jennifer will finish her presentation with DPH and DSS oversight and enforcement - Medicaid audits, scope of practice, and expected trends. Don't miss this informational presentation.

Networking Social

Please join us immediately following the Educational Program for a Networking Social. A complimentary cocktail and hors d'oeuvres reception will be held from 3:00 to 5:00 p.m.

**Please indicate on the registration form
if you plan to attend.**
